

Cardinals Theme Bike Raffle was a Big Hit

By Dennis Martin

St. Louis Cardinal's fan, Jeff Gau, was the winner of the Cardinals bike raffle at Al Hrabosky's. He purchased his winning raffle ticket during the play-offs. He has never ridden on a motorcycle before, but certainly will be now. The reason for purchasing his 5 tickets was that it was going to a great cause, Cardinal Glennon Hospital. Jeff said, "Thank you to everyone involved and especially the builder, Tom Sack, there is a lot of pride in this bike. I would like to say thanks to Al Hrabosky's for having the raffle". Mr. Hrabosky said with a smile, "Congratulations Jeff, and don't hurt yourself."

Randi Naughton of Fox 2 News was on hand to cover this event for the morning show. Jeff seemed a little nervous about that.

A substantial amount of money was raised by this raffle, but the total was not available when this article was written. Given the right circumstances, they would certainly do this again. Al Hrabosky's Saloon is a great place to go to and check out the baseball memorabilia on the walls. They have a great thing going there. With Happy hour specials and drink specials every night, this place will be busy even during the Cardinals off-season.
