

F.O.R.R. 42 TOY RUN BENEFITS CHILDREN'S SERVICES

The annual ride benefits the children of Franklin County Division of Family Services.

Freedom of Road Riders local 42 of Franklin County hosted their annual Toy Run Sunday November 5th. In addition to donating a truck full of toys, there was also a wad of cash given to the Franklin County Division of Family Services.

Santa in a side car provided by Dave's Clarks Forever Endeavor Cycle and about 40 of his F.O.R.R. elves began their event at Roadhouse 100, Gray Summit, traveling to the family services office in Union. Riders were greeted by many smiling and excited children, volunteers and thankful family service employees. Volunteers brought refreshments, snacks and made a Thank You Card.

Look forward to seeing everyone next year. Mel & Jen
